AUTOMOTIVE REPAIR PERMISSION FORM AND WARRANTY DISCLAIMER

I, the undersigned, have requested the Iredell-Statesville Schools Automotive Technology Program to repair/service my vehicle(s) that I have presented for repairs/service. I understand that students will perform the necessary requested repairs under the supervision of the instructors. ***I realize the work is being done by students may be slower and not of the quality of a professional technician.***

I, the undersigned, hereby acknowledge that the Iredell-Statesville Schools Automotive Technology Program makes NO guarantees or warranties, of any type, with regards to any repairs or services to my, the undersigned, vehicle(s). Part's warranties provided by the part's manufacture for installed parts are valid.

I, the undersigned, hereby acknowledge monetary compensation will be due for the cost of parts and sublet labor plus a percentage markup and a shop fee, based on flat-rate time. **The compensation will be due at time of vehicle pickup. The vehicle will not be released until the bill is paid in full.** I understand that these costs will be substantially less than if a professional technician performed the work.

My signature below hereby gives the permission for an instructor and/or licensed student to drive my vehicle(s) in and out of the shop area as necessary and on the public road if necessary for road testing. I acknowledge that my vehicle(s) are properly licensed and insured as required by the state of North Carolina. I further acknowledge that all liabilities accrued at any time by or to my vehicle are solely my responsibility and do hereby hold harmless Iredell-Statesville Schools, its employees, the Iredell-Statesville Schools Automotive Technology Program, its instructor and students under all conditions.

I, the undersigned, hereby acknowledge that Iredell-Statesville Schools, its employees, the Iredell-Statesville Schools Automotive Technology Program, its instructors and/or students are not responsible in any manner for any inconvenience or liability for any failures, damages, or problems, directly or indirectly related to the service or repair of the vehicle.
